WHAT IS CCPC?

CCPC is a non-profit organization founded for and by Family Child Care Providers as a support group for strength and unity in representing our viewpoints on child care issues.

CCPC voting membership is open to all licensed family child care providers in Kansas. Supportive memberships are also available for child advocates, agencies supporting early childhood education, centers, and families.

CCPC recognizes and celebrates the beauty of diversity in family child care, and encourages collaboration between many people of differing backgrounds.

CCPC supports regulatory requirements as they protect the health and safety of children.

CCPC encourages cooperation with other agencies interested in the promotion of professionalism in family child care.
