

KCCTO-KITS INFANT-TODDLER SPECIALIST NETWORK

Supporting child care quality by providing education, support, consultation and technical assistance to early childhood professionals who care for infants and toddlers in Kansas.

Who Are We?

The KCCTO-KITS ITSN team consists of professionals from a variety of educational and experiential backgrounds. We are early childhood educators who have been family child care providers, center providers and classroom teachers. We are early interventionists and speech-language pathologists. We come from military child care and inclusive centers. As coaches and problem-solvers, we strive to support you in your task of providing quality child care to infants and toddlers and their families.

What Can We Do?

The KCCTO-KITS ITSN project provides a tiered level of support to early childhood professionals across the State. Early childhood teachers, administrators, and family child care providers can access the following according to intensity of need:

- ✓ Online courses and trainings
- ✓ TA Packets and virtual kits
- ✓ Linkages to State and National resources
- ✓ Community-based, content specific training
- ✓ Communities of Practice
- ✓ On-site visits
- ✓ Short or long-term consultation
- ✓ Intensive technical assistance plans (as requested/needed)

Benefits For YOU At No Cost!

Topics, resources and supports are matched to your individual needs. For example:

- ✓ Supporting children with special needs
- ✓ Establishing positive daily care routines
- ✓ Supporting Dual language learners
- ✓ Creating meaningful learning opportunities
- ✓ Tracking developmental milestones
- ✓ Supporting children with challenging behaviors
