Improving
early education
for all children
builds a better
future for
all of us.

KAEYC works to improve services and facilities in Kansas for all young children by:

- Bringing together all persons interested in young children.
- Encouraging professional development of all persons employed in the care and education of young children.
- Providing continuing professional development opportunities for early childhood education professionals.
- Making the public aware of the needs of young children.
- Collaborating with other agencies on behalf of young children.
